**FINDINGS OF FACT AND RECOMMENDATION ON
FELONY GUILTY PLEA BEFORE THE U. S. MAGISTRATE JUDGE**

Pursuant to 28 U.S.C. § 636(b), this matter has been referred by the District Court for administration of guilty plea and allocution under Rule 11 of the Federal Rules of Criminal Procedure.

On the 22nd day of January, 2015, this cause came before the undersigned U.S. Magistrate Judge for Guilty Plea and Allocution of the Defendant **DAVID WAYNE SCHROEDER**¹ on Counts **ONE, TWO, and THREE** of the **INDICTMENT** filed herein charging him in each count with a violation of 18 U.S.C. § 659. The Defendant signed a written consent to plead before the Magistrate Judge. After conducting said proceeding in the form and manner prescribed by FED.R.CRIM.P. 11 the Court finds:

a) that the Defendant, after consultation with counsel of record, has knowingly and voluntarily consented to the administration of the Guilty Plea and Allocution in this cause by a U.S. Magistrate Judge subject to final approval and imposition of sentence by the District Court;

b) *that the Defendant and the Government have entered into a written plea agreement which has been filed and disclosed in open court pursuant to FED.R.CRIM.P. 11(c)(2) and 11(c)(1)(C); and,*

c) that the Defendant is fully competent and capable of entering an informed plea, that the Defendant is aware of the nature of the charges and the consequences of the plea,² and that the plea of guilty is a knowing and voluntary plea supported by an independent basis in fact containing each of the essential elements of the offense.

IT IS THEREFORE the recommendation of the undersigned U.S. Magistrate Judge that the District Court accept the plea agreement and the guilty plea of the Defendant **DAVID WAYNE SCHROEDER** and that **DAVID WAYNE SCHROEDER** be finally adjudged guilty of that offense.

¹The Defendant acknowledged that he has been charged under the true and correct name.

²The Defendant was admonished as to the statutory penalty range for each Counts **ONE, TWO and THREE** of up to 10 years imprisonment, a maximum 3 years supervised release, a fine not to exceed Two Hundred Fifty Thousand Dollars (\$250,000.00), and a One Hundred Dollar (\$100.00) mandatory special assessment. The Defendant was informed that the U. S. District Judge may order the punishments for Counts **ONE, TWO, and THREE** to run consecutively. The Defendant was also admonished that if it is determined that any restitution is owing, the U. S. District Judge may order him to pay such, whether that amount is agreed upon or disputed at sentencing.

The United States District Clerk shall serve a copy of this Proposed Findings of Fact and Recommendation on all parties electronically. In the event that a party has not been served by the Clerk with this Report and Recommendation electronically, pursuant to the CM/ECF procedures of this District, the Clerk is ORDERED to mail such party a copy of this Report and Recommendation by certified mail, return receipt requested. Pursuant to 28 U.S.C. § 636(b)(1), any party who desires to object to this report must serve and file written objections within fourteen (14) days after being served with a copy unless the time period is modified by the District Court. A party filing objections must specifically identify those findings, conclusions or recommendation to which objections are being made; the District Court need not consider frivolous, conclusive or general objections. Such party shall file the objections with the Clerk of the Court and serve the objections on the Magistrate Judge and on all other parties. A party's failure to file such objections to the proposed findings, conclusions and recommendation contained in this report shall bar the party from a de novo determination by the District Court. Additionally, any failure to file written objections to the proposed findings, conclusions and recommendation contained in this report within fourteen (14) days after being served with a copy shall bar the aggrieved party from appealing the factual findings of the Magistrate Judge that are accepted or adopted by the District Court, except upon grounds of plain error or manifest injustice.
